Hi Rich:

As I mentioned yesterday, we are planning to disclose to our federal agencies contacts the [REDACTED] investigation of US Technology occurring in Regions 4 and 7. *Exem. 7(A)*

Attached, you'll find the letter that we've drafted, with input from [REDACTED] and the regional case teams. You'll also find a list of the federal agency contacts that we think would be appropriate to notify of this situation. *Exem. 7(A)*

I only gave you a brief description of this matter yesterday afternoon, so I'm happy to answer any questions you may have.

Thanks, Rich!
